

NO THANKS! (3-5 Player)

GOAL

Fewest points (cards-# of chips)

SETUP

33 cards, 3-35.

Shuffle and count out 24 cards.

The 9 remaining cards are not shown and removed from game
11 chips to each player (remaining chips are not used)

PLAY

Flip over a card. If you don't take it, put a chip next to it.

Each player puts in chip until someone takes the card and chips.

Cards are kept face up and clearly standalone or chains

END

Game ends when last card is taken.

Add up all standalone cards and cards that are part of a chain.

Subtract the # of chips to get final score.

VARIANT (more tactical)

Each player gets 10 Chips.

Remove 10, 20, 30, and six other cards.
